Harte Trail Studio Art Tour

Hi friends and family,

I am personally inviting you to visit the 6<sup>th</sup> annual Harte Trail Studio Tour - where I will be one of 20 artisans opening their door to the public. Save the dates to explore and celebrate our city's local talent in painting, printmaking, photography, sculpting, soapstone carving and pottery.

Set off on your own personal adventure by clicking [here](#) to have our brochure emailed directly to you. Printed brochures are also available at libraries, at each studio location and many other locations around the city.

I want to thank you in advance for marking your calendar for September 20-21 and I hope to be able to welcome you to my studio location. **I am Studio # \_** on the brochure.
