

Good Day everyone,

I am hoping this email finds you and your family healthy and able to navigate through the world circumstances as it is.

As you may be aware – I am a member of The Harte Trail Studio Tour. We are already planning for next September and very excited to be able to share this event with you! One of the biggest hurdles we face as a small group of artists is getting our friends and family to register for our E-newsletter. As you already have a direct link to me – signing up for the Tour E-News maybe an afterthought.

However – I am excited to have you know some of the other artists in the tour. These members are hard at work preparing now for the event and on occasion we will be updating info on our website and sending out new information via our E-News.

I would like to thank you in advance for clicking below and signing up to REGISTER for our E-News. So, you are aware – we carefully consider our distribution schedule so that you will not be inundated with emails you do not want. We may – at most – go with one Newsletter a month and in our off season – such as now – it is even less. We do not share our email list with anyone.

Thank you again – and I look forward to your support with our September 21-22, 2024 Studio Tour.
