

Hi everyone

I am really getting excited! There are only a few more days until the Harte Trail Studio Art Tour where I am one of 20 members who will be greeting the public at my studio location.

I am busy doing last minute touch up's, hanging the last bit of wire, creating the labels, and getting all set up so that I can welcome you with enthusiasm and excitement!

Gather a friend or two or come solo to see what our artist and artisan community has to offer this September 20 and 21.

[Visit our website](#) to have the brochure emailed to you and....click on each individual artist to find a google map to their studio location.

Please drop by and say hello – I am Studio **Location # _**

Looking forward to seeing you!
